

Financial Portal Overview

Welcome to your Orion Financial Portal! This portal contains your financial plans, investments performance, important documents, market news and advisor communications - all in one place. The Orion Financial Portal helps you to understand your entire financial picture and puts your financial advisor just one click away for guidance and help.

This guide walks through the Financial Portal's features and provides tips on how to get the most out of your online experience.

Accessing Your Account

Navigate to www.portfoliologin.com. If you know your credentials, enter your Username and Password and click Sign In.

Create Login

If this is your first time logging in, click Create Login in the bottom right corner of the login page. On the following prompt:

- Enter your email address as your username
- Input required personal information in the additional fields
- Select the I'm not a robot box, and click Create Login
- An email to create a password will be sent to the email we have on file for your household. If you do not see this email, contact your advisor.

Create Password

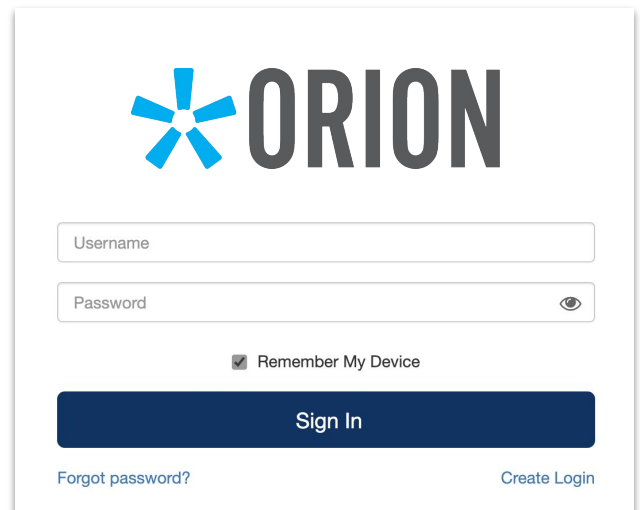

Click the link in the email to set your password. Please note, this link is temporary and expires after a short time.

- After clicking the link, enter a new password. Password requirements are listed on this page.
- Confirm the password by repeating it in the second field, and click Reset Password.
- Then, proceed with logging in using your new password.

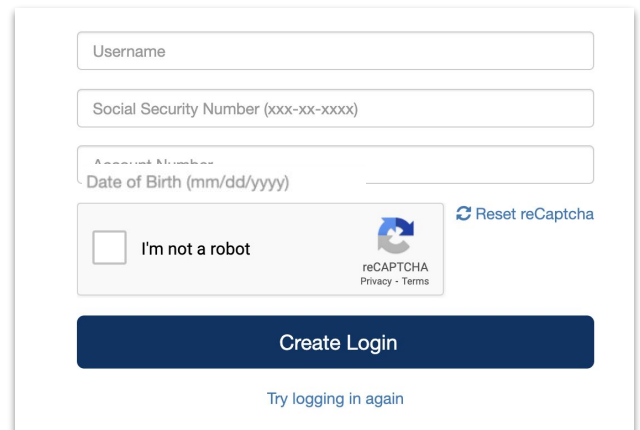

Reset Your Password

On the login page, click **Forgot password?** in the bottom left corner. On the next prompt, enter your Username and click Send Me Instructions. An email is sent to the email address that is associated with your household..

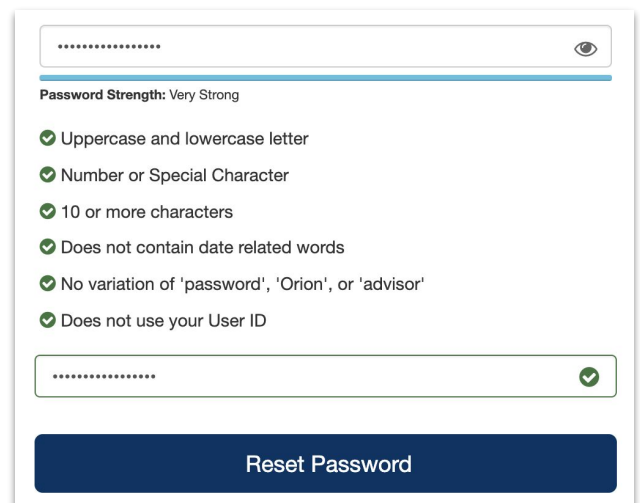

Then, follow the instructions above in the Create Password section of this document.

The Orion Sign In form features the Orion logo at the top. Below it are two input fields: 'Username' and 'Password' (with an eye icon for visibility). A checkbox labeled 'Remember My Device' is positioned below the password field. A large blue 'Sign In' button is centered at the bottom. Links for 'Forgot password?' and 'Create Login' are located at the bottom left and right, respectively.

The Orion Create Login form includes input fields for 'Username', 'Social Security Number (xxx-xx-xxxx)', and 'Date of Birth (mm/dd/yyyy)'. It features a reCAPTCHA widget with an 'I'm not a robot' checkbox and a 'Reset reCaptcha' link. A large blue 'Create Login' button is centered at the bottom. A link 'Try logging in again' is located at the bottom right.

The Orion Password Strength form shows a password input field with a strength indicator bar. Below the bar, a list of requirements is shown with green checkmarks: 'Uppercase and lowercase letter', 'Number or Special Character', '10 or more characters', 'Does not contain date related words', 'No variation of 'password', 'Orion', or 'advisor'', and 'Does not use your User ID'. A second input field for password confirmation is at the bottom, followed by a large blue 'Reset Password' button.

Document Vault Enhancements!

Along with the redesign of our Document Vault, users will now have the ability to drag and drop new files into the Document Vault. We've also increased the subfolder limits so users can now create up to 10 sub folders. This new design creates the needed architecture to add Fidelity statements to our vault later this summer.

Personal Finances Overview

Personal Finances Summary

Dive deeper to further understand what you have and how it's performing. Check out information for various time frames including your returns, market value, and allocations.

Click on an account type to see a list of your associated accounts. Clicking on an account will open that account's transaction history.

By default, the metrics are based on all of your managed accounts. Click on the dropdown to view information for a specific account.

Click on the tabs to view more details on the holdings in your account(s).

Update the timeframe to view the metrics as of a specific date range.

Link an account from an outside institution, or add an account manually to the portal.

The dashboard displays the following information:

- ACCOUNTS:** Cash (\$41,714), Investment (\$6,025,660), YOUR NET WORTH (\$6,067,374)
- Managed Accounts:** Last updated: 12/31/2020 at 09:43
- MARKET VALUE:** \$1,564,523
- PERFORMANCE:** +5.21%
- Transaction Summary:**

Beginning Value	\$9,148,684
Contributions	\$723,489
Distributions	\$284,367
Dividends & Interest	\$67,361
Transfers In/Out	\$20,764
Market Value Change	\$31,764
- Portfolio Value vs Net Amount Invested:** Line chart showing Portfolio Value and Net Amount Invested from Jan 4 to Feb 8.
- Asset Category Allocation:**

ASSET CATEGORY	MARKET VALUE	ALLOCATION
Equity	\$1,200,931.40	52%
Bond	\$1,681,303.96	28%
Cash	\$1,200,931.40	20%
- Asset Class Allocation:**

ASSET CATEGORY	MARKET VALUE	ALLOCATION
Large Cap Growth	\$2,882,235.36	28%
Large Cap Value	\$3,122,421.64	20%
Large Cap Blend	\$1,200,931.40	16%
Small Cap Blend	\$1,200,931.40	8%
World Large Stock	\$1,200,931.40	2%

Document Vault

Store and share documents securely with your advisor in the Document Vault. Files that are uploaded into the vault are encrypted in transit, and at rest, in order to provide end-to-end security and protection. Many users upload tax statements, wills, insurance policies, and more for safe keeping. This is also where your advisor might share important documents with you like your portfolio statements.

The screenshot shows the Document Vault interface. At the top right, there is a callout box: "Upload documents into the vault." pointing to the "Upload" button. Below the header, there are two buttons: "New Folder" and "Upload". A callout box: "Click the New Folder button to create a custom folder to organize your documents." points to the "New Folder" button. The main area is a table with columns: "NAME", "LAST MODIFIED", and "FILE SIZE". The table lists four folders: "Custodial Statements", "Portfolio Statements", "Tax Documents", and "Test Category". A trash can icon is visible next to the "Tax Documents" folder. A callout box: "The trash can icon allows you to delete a folder you created." points to this icon. At the bottom of the interface, there is a link: "Learn about Document Vault's security" with an external link icon.

NAME	LAST MODIFIED	FILE SIZE
Custodial Statements

Tax Documents		
Test Category		

Create a Financial Plan

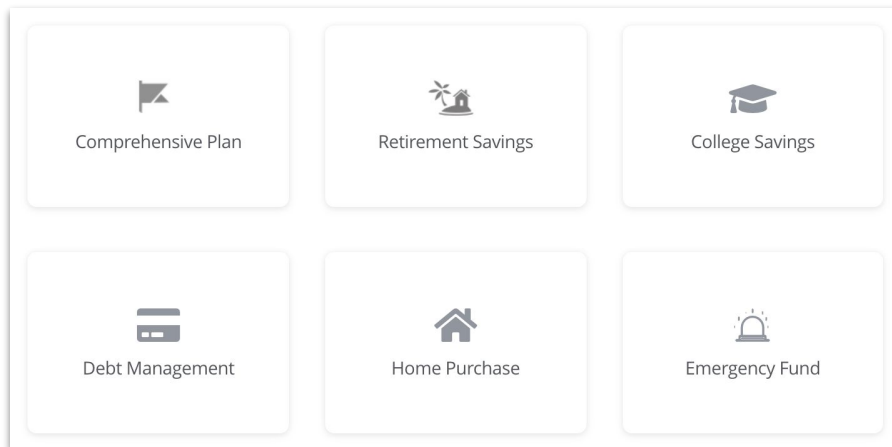

Overview

An important step in the financial planning process is gathering information. This allows us to make accurate projections, and determine the best course of action to achieve your goals. Follow the instructions below to create your financial plan and add goals to your plan.

1. While on the Client Overview , click [Start Planning](#) in the Financial Planning widget to see available goals.

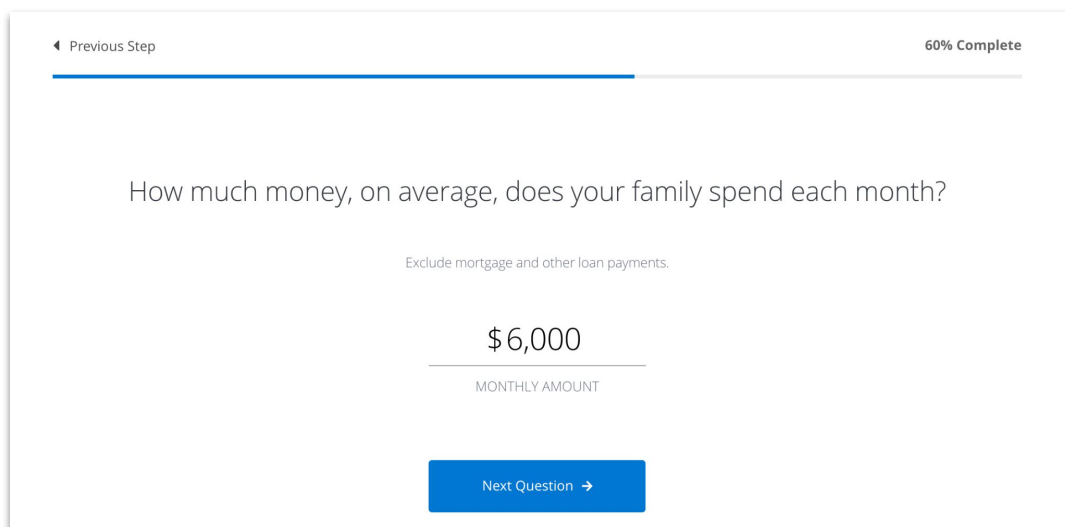

2. Select a goal for yourself, such as Retirement Savings, College Savings, or Emergency Fund.

3. Complete the questions associated to the goal you selected. Each goal includes common questions relating to your age, income, expenses, and more. There are also specific questions tailored for each goal. Select Next Question to advance forward. Track your progress as you go through goal workflows by viewing the progress bar at the top of each page.

NOTE: If you complete multiple goals, the system will automatically populate any overlapping questions you already answered!

The screenshot shows a progress bar at the top with 'Previous Step' on the left and '60% Complete' on the right. The main question is 'How much money, on average, does your family spend each month?'. Below the question is a note: 'Exclude mortgage and other loan payments.' The user's input is '\$6,000' with a horizontal line underneath. Below the input is the label 'MONTHLY AMOUNT'. At the bottom is a 'Next Question →' button.

Your Profile

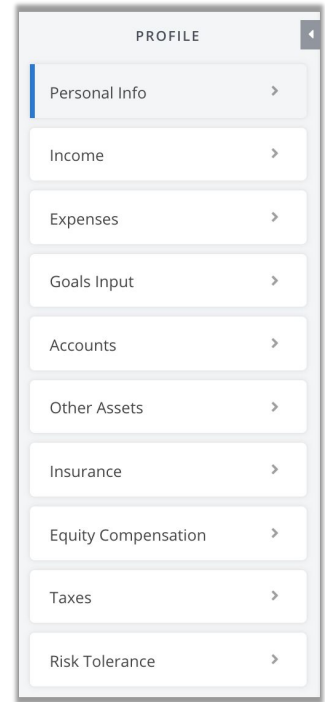

Profile

Your Profile stores information from your financial plan and comes from completing goal workflows. This information ideally represents everything you are currently doing today and could include expenses that you incur, contributions that you make to accounts, or payments you make on a mortgage. When a financial change occurs in your life, make the appropriate updates in your Profile to accommodate that change. Keep your Advisor informed about any updates so they can help ensure other files are up-to-date.

The Profile is made up of sections to organize your information. If you are completing the Profile on your own, start with Personal Info and continue down the list.

Make sure to save your work before you exit each section. Scroll to the bottom of the page and click [Save Changes](#).

In many of the Profile sections there is a button to add Income, Assets, Insurance Policies, and more. To add information in each of those sections, click [+ Add](#) and make a selection from the available options.

For example, in the Income section, click [+ Add Income](#). Then, select the type of income and complete the remaining fields. Follow this same process for each section.

Income

Please include salaries, business income and real estate income, social security and other income. [+ Add Income](#)

Employment Income			
Name	Earner	Salary	Bonus/Commissions
Donald's Employment Income	Jim	\$100,000	\$0
Jane's Employment Income	Jane	\$76,000	\$0

Business Income
You have not added any items.

Real Estate Income
You have not added any items.

Social Security
You have not added any items.

Other Income		
Name	Earner	Amount
Misc Income	Jim	\$35,000

Financial Plan Results

Goal Results

Monitor a high-level summary of your financial planning goals and drill into detailed information on individual goals.

After clicking on a goal, view the projection of the value for your assets for fulfilling that goal.

The dark shaded blue represents your results based on current information in the system today. The lighter shaded blue represents your estimated results if you implemented the recommendations.

Reports

Access even more information about your goals and finances in Reports. Use the tabs on the left to view projected cash flows, values of individual assets and liabilities, action steps for achieving your goals, and more!

Link Outside Accounts

Overview

View all of your finances in one convenient location! Link your investment accounts, credit cards, or check/saving accounts to the portal to automatically receive updated account balances, asset allocations, and transaction information.

From the Client Overview  click [Add Account](#) in the bottom left corner. Select **Login to institution**.

Please Note: You also have the option of manually adding an account by selecting **+ Add manual account**.

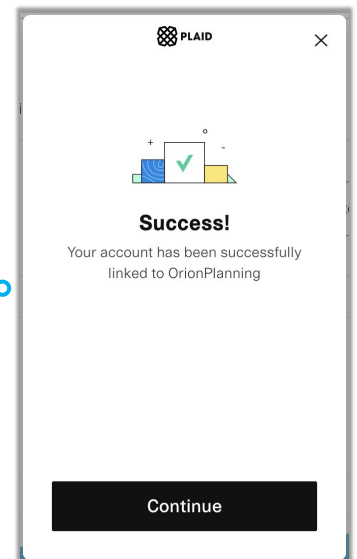

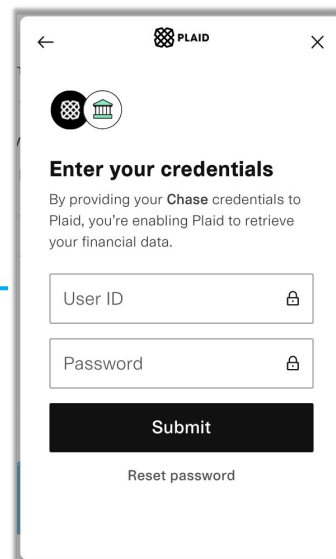

A window appears that provides Security and Privacy information for account linking.

Click **Continue** to link an account.

Search for the institution you would like to link to your portal or select one from the list of frequently used institutions.

Enter your **username** and **password**. Depending on your institution, they might ask you an additional security question.

If the information you entered matches the information at your institution, you successfully linked your account!

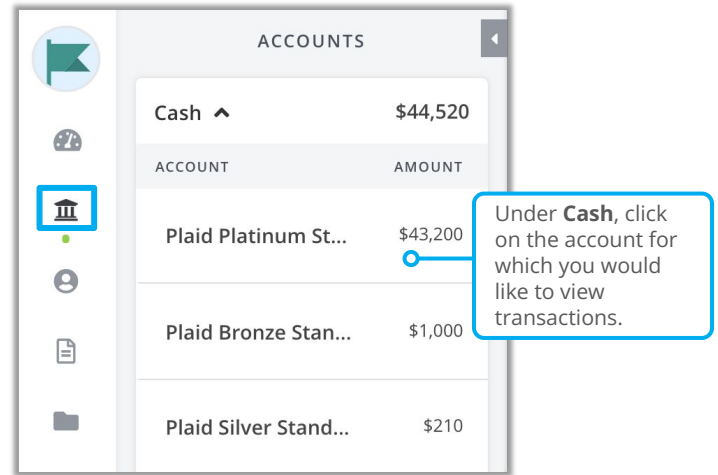

Repeat these steps for each account you would like to link to the portal. Then, view these accounts on the Client Overview page in the Accounts menu on the left sidebar menu.

Transaction Overview

After linking spending accounts to the portal, take advantage of the Transactions Page to easily review deposits and withdrawals for your accounts on a monthly basis.

1. Click the Personal Finances option to navigate to the Transactions page.
2. From the Net Worth banner, click on the **Cash** section to display spending accounts.
3. Select a linked account to view the transactions.

Managing Transactions

The left pie chart represents income, while the right pie chart represents expenses. Different categories of income and expenses are distinguished with varying colors.

Filter the transactions by accounts, categories, and timeframe.

Add a manual transaction.

Click on a category in a chart to view those specific transactions.

Search for a specific transaction.

Recategorize a transaction by hovering over the category and selecting a new one. This new category also applies to future similar transactions.
